

## Clear Sleeve Chair Leg Protector Measuring Tool

A ready to use measuring tool is included when you purchase a Clear Sleeve Sample Set at

[1877floorguy.com/clearsleevesample.html](http://1877floorguy.com/clearsleevesample.html)

or call 877-356-6748

1. Cut along outline.
2. Cut slit along dotted line.
3. Feed end of measuring tape through slit and wrap around chair leg to indicate size required.

**Disclaimer:**

*Measuring tool must be printed to 'actual size' for accurate measurement. 1877floorguy is not responsible for mismeasurements when using this printed measuring tool. When in doubt, order sample set: [1877floorguy.com/clearsleevesample.html](http://1877floorguy.com/clearsleevesample.html)*
