

GP Forward™/MC SC

8

General Purpose Cleaner

A high performance cleaner for daily use on floors, walls and all washable surfaces.

Features & Benefits

- General purpose cleaner for counters, tables, floors, and other hard surfaces
- Concentrated formulations deliver powerful cleaning performance for just pennies per diluted gallon
- Removes all types of dirt, grit, grease, and soap scum with no rinsing required
- Green in color with a pleasant citrus scent

Applications

- For general cleaning of any water-safe surface
- Can be used as a scrub and recoat floor care cleaner
- Works with cold, hot, and soft/hard water in mop, bucket, autoscrubber, and trigger spray applications

Use instructions

Mop and Bucket Method

- Dust mop or sweep floor.
- Fill, dilute or dispense product according to label directions.
- Mop floors. No rinsing is necessary in non-food preparation areas.

Automatic Scrubber Method

- Dust mop or sweep floor.
- Fill, dilute or dispense product according to label directions.
- Clean and scrub floors.
- Trail mop machine turns, edges and low spots in the floor to pick up cleaning solution left behind by machine.

Spray and Wipe Cleaning

- Fill, dilute or dispense product according to label directions.
- Spray and wipe surfaces clean.

For RTD[®] Use:

- Fill trigger spray bottle with product. Apply to surfaces to be cleaned.
- Wipe with clean cloth or towel to dry. Dilute with cold water.
- To avoid food contamination after cleaning, sanitize and rinse all food contact surfaces with potable water before reuse.

For Snap N' Dose^{TM/MC} Pro Use:

- Fill properly labeled spray bottle with 946ml/1 U.S. Qt. (32 fl. Oz.) of potable water.
- Using one hand to secure the package, use the second hand to snap open the top of the spout-tip. Do not apply excessive pressure to the package while opening. Keep spout-tip upward when snapping open so not to spill contents.
- Dose concentrate into the bottle by carefully inserting the open spout-tip into the top of the spray bottle, give the tray a light squeeze to ensure complete evacuation of product concentrate.
- Allow the tray to fully evacuate into the bottle for about 4 to 6 seconds.
- Firmly screw down the spray head to the bottle, give the bottle a light shake and you are now ready to clean.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
