

MANNINGTON®

ScratchEraser™

Designed to hide minor scratches in flooring with a urethane wearlayer.

For use on Mannington's LVT floors. All ADURA®, REALTA™, and Foundations LVT floors. This product also works well with our Restoration Collection® floors.

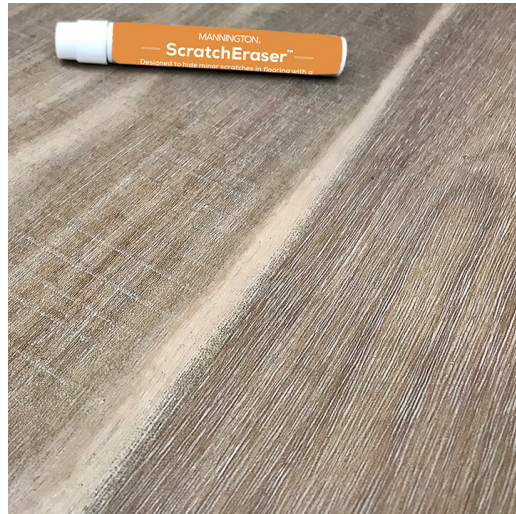

Order:

Pack of Six

Order Code: 806227

BEFORE

AFTER

To use:

1. Shake well before using.
2. Press the felt tip over the scratch, let sit for 10-15 seconds.
3. Wipe clean with a damp rag in the direction of the grain.

Contact your Mannington representative for more information.
