

Oil Refreshing Soap

M NUMBER 511225A

Revitalising natural cleaner for wood

- › Ensures maximum dirt and water resistance from day one
- › Enhances the natural color of the wood
- › Cleans and maintains the floor gently
- › Leaves a mat protecting oil film on the wood surface
- › For regular refreshing

Product details

Oil and soap solution. Oil Refresher is used for regular cleaning and maintenance of oiled wood floors. Oil Refresher, Natural is typically used for natural oiled and color oiled floors and Oil Refresher, White for white oiled wood floors. Oil Refresher combines efficient cleaning with re-oiling as addition oil is penetrating into the wood of the floor forming a mat protective layer in the surface.

How to...

- 1** Shake the bottle well before use.
- 2** The floor must be free from dust before treatment.
- 3** Mix Oil Refreshing Soap with lukewarm water:
 - For traditionally oiled floors: 1:20 (250 ml Oil Refreshing Soap into 5 L of water).
 - For UV-oiled and oil-waxed floors: 1:40 (125 ml Oil Refreshing Soap into 5 L of water). The mixture ratio can vary depending on wear and requirement.
- 4** Treat with a light wrung floor cloth or mop lengthwise of the floor. Immediately afterwards, dip floor cloth or mop into mixture and wipe the floor with hard wrung floor cloth or mop again lengthwise of the wood. Use two buckets - one with Oil Refresher mixed with water and one with rinsing water. It is recommended to clean an area of approx. 108 sq. ft. at the time. By doing it this way, the floor is exposed to moisture for a short period.
- 5** Leave the floor to dry for approx. two hours before use.
- 6** If a light shine is wanted, polish the dry floor with a white pad.

Technical data

Product properties	
pH-value	7.5-9
Density	0.97-1.02 g/ml
Colours	Natural and white
Odour	Faint
Drying time	2 hours at 68 °F

Application tools	Floor cloth or mop.
Disposal	Empty containers and residues to be disposed of according to local regulations.
Shelf life	3 years
Packaging	1 L - 2.5 L
Storage	+ 50-86°F. Keep out of reach of children. Must not be exposed to heat (e.g. sunlight). Store frost-free.
