

C795

200g Insulated Combat Boot

Perfect for cooler conditions, the C795 features 200 grams of Thinsulate™ insulation and a Gore-Tex® waterproof bootie which allows your feet to stay warm, dry and comfortable. Another special feature is the Vibram® FIRE & ICE™ outsole that is made of a special rubber compound that does not harden in cooler temperatures to provide better traction in icy conditions.

Thinsulate
INSULATION
