### USES & APPLICATIONS

Used for the safe rescue of small animals. Sturdy robust and very light weight construction. The soft mesh is knot-less and ideal for catch and release purposes.

### HOW TO USE

Attach the Rescue Net attachment by sliding onto the gold collar of the pole. This will secure into place with the spring buttons. Extend the pole to desired length and scoop the Rescue Net over the casualty.

### MAINTENANCE & PRECAUTIONS

The sleeve fitting should be regularly tested on the pole top fitting as damage will render the attachment from securely fitting.
