Models Available

- **SP212: Single Color w/ Tear Bar**
- **SP216: Two Color w/ Tear Bar**
- **SP242: Single Color w/ Auto Cutter**
- **SP246: Two Color w/ Auto Cutter**

The SP200 series printers offer legendary Star build quality, high reliability, great performance, compact footprint and easy integration with POS stations. The SP200's recessed cable connections allow for a simple clean installation at the point of sale. The tiny footprint of the SP200 reduces the amount of counter space required for the receipt printer.
