

Beacon 3

**BIG SOUND. SIMPLE SETUP.
BUILT FOR MOBILITY.**

PORTABLE LINE ARRAY POWER

The Beacon 3 Portable Line Array delivers powerful, crystal-clear sound for audiences up to 2,500 people. Its telescoping speaker array provides wide, even sound coverage while maintaining a compact footprint for transport and storage. With battery-powered operation, rugged wheels, and a nested speaker design, Beacon 3 is built for fast setup and reliable performance anywhere.
