

SAKER SERIES

The Saker Series is an electric projection screen that embodies all the virtues of quality, durability, and aesthetic value. It utilizes our Max-White® Fiberglass (FG) material which has a wide viewing angle to allow the audience to see the image from anywhere in the room. The enameled aluminum casing has a stylish arcuate profile that is best suited to the aesthetics of interior design. To make installation easy, the Saker comes fully assembled with sliding wall mounts to ensure that it will be properly centered in every installation.

Screen Material & Design

- MaxWhite® Fiberglass (1.1 Gain) matte white fiberglass-backed material
- Wide viewing angle and uniformly diffuses light in all directions
- Active 3D, 4K Ultra HD, and HDR Ready
