

Manual B Series

Manual Pull-Down Projection Screen

Product Description

Elite Screens' **Manual B Series** is an ultra affordable, high performance, manual pull-down projection screen for use in the home or business. Its integrated mounting solutions allow it to be installed on the wall or ceiling suspended. Most models are available in either a white or black case to fit your interior décor.

Product Design & Features

- Matte white material is durable and easy to clean
- Black Backing eliminates light penetration for superior color reproduction
- Dual wall and ceiling installation design
- Auto-locking mechanism with variable height settings
- Screen lanyard included for easy operation – allows screen's pull down handle to be reached from high areas
- Optional 6" and 12" L brackets available – **sold separately**
