

Manual Tab-Tension 3 Series

Manual Pull-Down Projection Screen

Product Description

The Manual Tab-Tension 3 is a tab-tensioned manual pull-down projection screen. It has a tab-tension system to keep the screen material flat and taut uniformly. It is offered in a front projection surface for light-controlled environments that is compatible with ultra/short/standard-throw projectors. The screen comes fully assembled and ready to mount. Floating wall brackets allow the screen to slide into perfect alignment with wood studs for a perfectly centered installation.

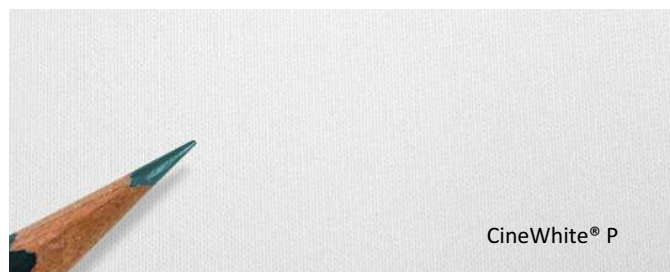

Product Design & Features

- Moisture resistant durable arc-shaped white enameled housing
- Black Backing for enhanced picture contrast
- Versatile flush wall or ceiling installation options
- Additional brackets included to facilitate suspended ceiling installations
- Tab-tension design maintains flat and taut projection surface that is ripple-free
- Optional 6" and 12" L brackets available – **sold separately**
