

# Yard Master 2 Rear Series

## Outdoor Folding-Frame Rear Projection Screen

### Product Description

The **Yard Master 2 Rear** is a folding-frame outdoor projection screen. Its light-weight aluminum frame allows it to be set up in minutes. Simply, unfold the frame; attach the material and legs, then project. The Yard Master 2 is the perfect companion for outdoor presentations with front or rear projection materials available. **\*Be sure to use the screen only during a light breeze (up to 7 mph); it is not meant to withstand heavy winds.**

### Product Design & Features

- Light-weight aluminum square tube construction
- Single-piece frame system unfolds effortlessly and assembles in minutes with no tools required
- Corner pull-tabs make installation easier
- Snap-button attachments on material
- Detachable AT-legs included
- Stakes, rope, and support rings included for additional support (Not included with OMS55HR2 / OMS58H2)
