

SLASH

The Award-Winning Benchmark for Speed, Fun, and Durability.

The Traxxas Slash™ Short-Course Race Truck puts you in the driver's seat for intense fender-to-fender, high-flying off-road action. The full-scale Short-Course Race Trucks embody the spirit of Traxxas R/C with their extreme 900+ horsepower racing engines, full-throttle, dirt-roosting power slides, giant suspension travel, and Supercross-style big-air jumps. The Traxxas Slash brings all the action home so you can experience the high-speed head-to-head competition at the track or in your own backyard. The 4-wheel independent suspension has been carefully tuned to replicate the Pro 2WD driving and handling experience as closely as possible. Slash is the category maker that sets the platinum standard for toughness, speed, and fun! It's purpose-built to fly over jumps and rip full-throttle through the turns. Now there are four ways to experience Slash off-road excitement — visit Traxxas.com to learn more and see the Slash models in action!
