Sizing Chart

NOTE: It is important to select "Actual Size" under the print size options when printing this PDF file.

- XX Small -- 2"W
- X Small -- 2 1/4"W
- Small -- 2 1/2"W
- Medium -- 2 3/4"W
- Large -- 3"W
- X-Large -- 3 1/4"W

Place your dog's foot on the size chart. Apply moderate pressure to simulate how the paw will spread under weight. With the left side of the paw at the left edge of the chart, the right side of the paw will fall on the appropriate size marking.
