

## 41044 LEASIDE

The Leaside motion collection is defined by its unique design details. The gently flared arm is accented by sculptural pillow-top cushions and picture-frame back cushions that create a unique sense of shape. The plush back cushions are fibre-filled and designed to sink into, while the full chaise styling offers full body support in the reclined position. Sophisticated topstitching details enhance the sculptural lines of the collection. The Leaside collection is available with either a power toggle switch or manual latch that lets you operate the reclining function and change angles with ease. A perfect complement to any transitional space, the Leaside collection offers the ultimate in comfort and style.

### FEATURES

- **Mechanism Activation:** Power recline with a touch button switch, located on the LED cupholder when the LED option is selected, Manual recline with pull latch, finished in an attractive gunmetal gray, Power recline with a two button power toggle switch
- **Features:** Hidden plastic glides integrated into the base, Single and double needle top stitching for luxurious tailoring (on leather and select fabrics)
- **Cover:** All Palliser Fabrics, All Palliser Leathers
- **Frame Construction:** The majority of Palliser frames are constructed from engineered wood products, hardwood or softwood; joints are pinned and glued for uniformity and strength.
- **Cushions:** Semi-attached back cushions feature a fibre filling, blown into channels to prevent shifting and provide pillow-soft comfort, Full, chaise-style seat cushions feature a high-resiliency, high density foam core with a polyester wrap
- **Suspension:** Back suspension features 100% premium elastic webbing to provide consistent comfort and support, Seat suspension features heavy gauge sinuous springs, engineered to provide premium comfort and endurance
