

## 41124 ARLINGTON

The Arlington is a handsome collection with a stately design. The back cushions feature a unique pull detail that is highlighted with sophisticated topstitching. The tapered arm is complemented by a slim profile cushion, which hugs the body when seated. Offering a modern approach to motion, the collection features clean lines, a generous scale and it is tai-lored with top stitching that accents the lines of the style. A power toggle switch or manual latch lets you operate the reclining function and change angles with ease. The Arlington collection completes both a transitional or contemporary space, depending on the cover selection.
