ECOPLUS

GENERAL DATA

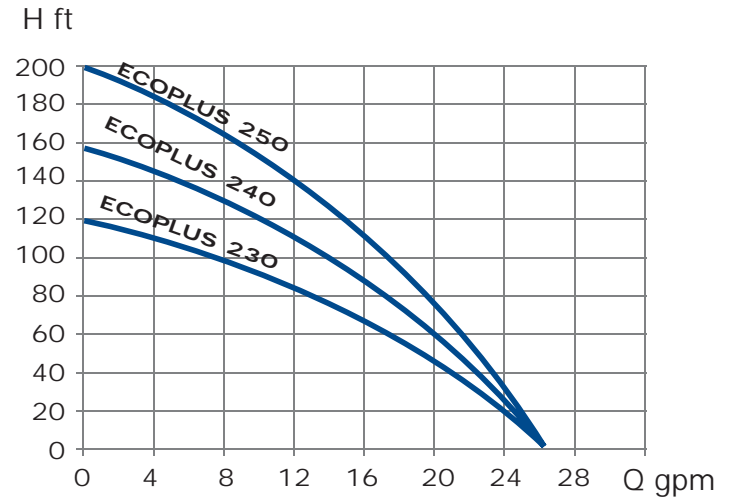

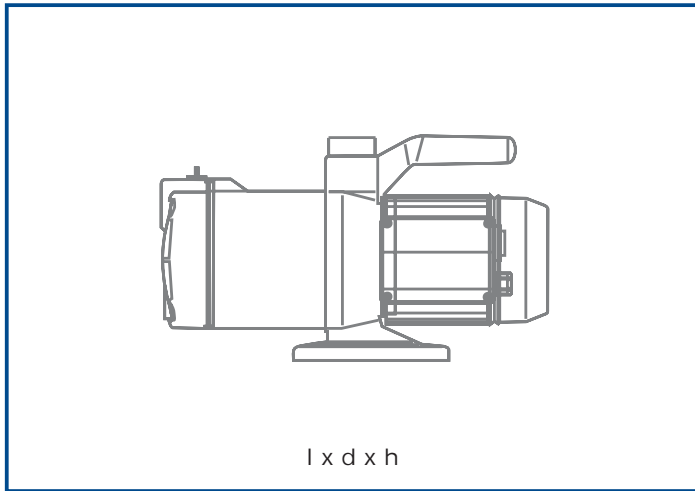

Applications

Self-priming multi-stage pumps ideal for supplying water for domestic and irrigation applications. Low noise and high pressure performance. Available with 3, 4 and 5 impellers.

Construction features of the pump

- Anti-corrosive and rust-proof materials
- Motor with thermic overload protection
- Double sealing system between motor and hydraulic part
- High resistance to frost and icing
- Supplied with power cable with plug, switch and self-sealing fitting
