THIS CERTIFICATE IS YOUR KEY TO SEAFOOD NIRVANA! REDEEM YOUR GIFT CERTIFICATE ONLINE AT WWW.LOBSTERGUY.COM

Hi! Want to make a nice presentation of a LobsterGuy e-certificate code?

Just print out this document and add your information. When you place your order, set the recipient email address as your email address. That way the special code is sent to you.

You'll get an email with a subject line: "Gift Certificate from (your name)".

The e-certificate code will be towards the bottom and about 18-digits long.

Codes begin with the "@" symbol (which we have already included above).

Codes are unique and single-use, so please treat them like money. When using the code to order from our website, the code will need to be complete and accurate, so please double-check!

To work properly, codes are case-sensitive and all letters will need to be capitalized.

Thank you!
