

MathMedia Arithmetic Series

Arithmetic skills are learned, practiced, and mastered in an easy-to-use, menu-driven learning system of instruction, practice, and assessments.

These programs automatically "bookmark" the student's last viewed screen and will prompt the student to return to that screen upon their return.

This software is written in a format that is appropriate for all ages -young learners to adults returning to their math education. The on-demand audio makes it appropriate for early readers. This math software is used in elementary schools, middle schools, high schools, colleges, and adult learning centers -- in the classroom and in after school programs for remedial, average, and gifted math students.
