

## Step 1: Alignment

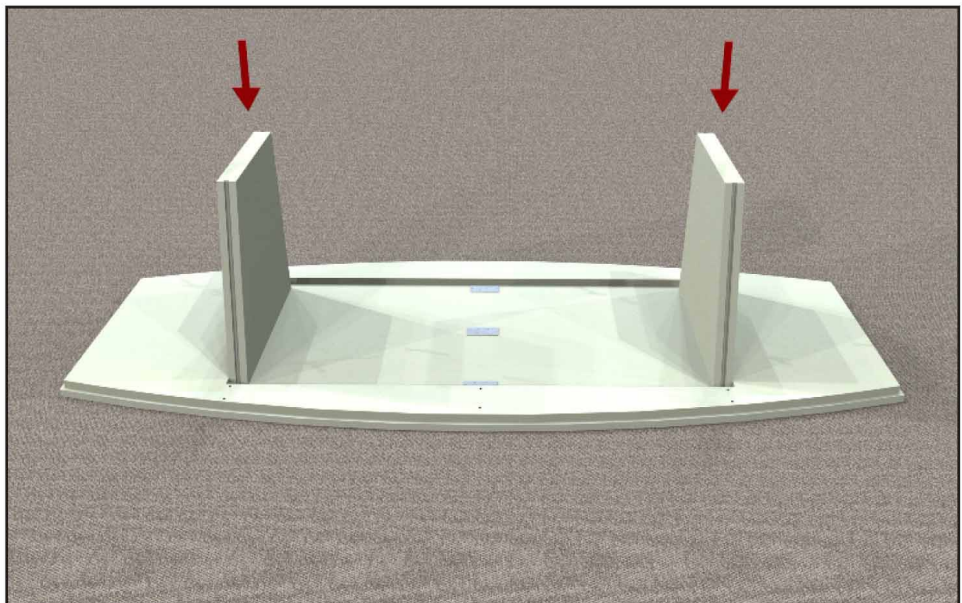

Place the two top pieces good side down on a clean surface. Align the pieces, slide together and secure in place using #8 x 5/8" screws provided.

Step 2: Place side pieces in place (matching the lettered labels A-A, B-B etc.) and secure to table top using #8 x 2 1/4" screws provided.

Step 3: Place legs on completed table top, matching the lettered labels. Secure in place using #8 x 5/8" screws provided.

Step 4: Align the braces with the legs and table top matching the labels, and secure in place using #8 x 5/8" screws provided.

Step 5: Turn table to upright position. Assembly in complete!
