Book A Dynamic Workshop

Presented by the Outstanding Nathan Levy Team

Applying their experiences from over thirty years as teachers, principals, and educational consultants, Nathan Levy (author of *Stories With Holes*) and his team have traveled extensively to share messages related to critical thinking and creativity. Their workshops cover topics for a wide array of educators, parents and administrators. Our presenters invite attendees to participate, giving them the expertise and skills necessary to implement covered concepts and strategies the very next day.

Sample topics include:

- Practical Activities to Improve Reading, Writing and Thinking
 - Powerful Strategies to Enhance Learning in Gifted and Highly Capable Students
 - Differentiating in and out of the Regular Classroom
 - Powerful Strategies to Help Students with Special Needs Be More Successful
- All workshops can be tailored to the needs of your school, group or organization.
