

We've made the Portable Scene Light even brighter - it now produces 5,300 lumens! Rapidly deployed and easily stowed, it features a narrow footprint and 72" extension pole, letting you bring this light almost anywhere - from wide open places to tight, confined spaces.

5,300 LUMENS!

90° swivel neck allows you to aim the beam where you need it for task lighting

Built-in cord prevents snags

Pole extends to 72" (182.88cm)

Packs to a compact size (22 in.; 55.88 cm) for easy storage

Stabilization legs provide balance on uneven surfaces; fully deploy and lock in less than 30 seconds

Selectable diffuser settings for two beam widths
Works with all three modes

Six C4® LEDs and wide pattern parabolic reflectors produce a smooth flood pattern; optimized electronics provide regulated intensity
3 levels of lighting: <ul style="list-style-type: none"> - High for a super-bright flood beam: 5,300 lumens; 410m beam; runs 4 hours - Medium for an intense beam and longer run time: 2,500 lumens; 292m beam; runs 9 hours - Low for when a less intense beam is ideal and for longer run time: 1,300 lumens; 215m beam; runs 18 hours
Indefinite run time with AC or DC power source
Sealed lead acid batteries rechargeable up to 500 times; 10 hour charge time Batteries will continue to charge while operating directly from AC or DC power source - includes 10ft (3m) DC power cord
High-impact thermoplastic housing; weatherproof construction
25lbs (11.33kg) is easy to carry to work area and helps provide stabilization (in conjunction with stabilization legs) on uneven surfaces
Limited lifetime warranty Visit www.streamlight.com for full warranty information
