

Tail clip stows cable folding light to about the size of a marker; conveniently fits in shirt pocket
Removable pocket clip for easy access

Push-button tail switch for one-handed operation

Durable and abrasion-resistant machined aluminum construction with Type II Mil-Spec anodized finish

Uses two AAA alkaline batteries (included)

Eight-inch (20.32 cm) flexible polyethylene-coated extension cable allows for 14" (35.56 cm) of reach

The power of a Stylus Pro® meets the flexibility of a Stylus Reach®

Whether you're looking for that screw that got away, a blown fuse, or a loose wire, this is the lighting tool for you. Featuring C4® LED technology mounted at the end of a flexible polyethylene cable, it will light your way through virtually any tight spot you encounter.
