AFFIDAVIT IN SUPPORT OF NAOMI @ NEOMI FRANCIS

I, **Naomi @ Neomi Francis (NRIC No. 661212-12-5074),** a Malaysian citizen of full age and of address No. RH65, Phase 3, Rancangan Rumah Murah, 89308 Ranau, Sabah, do hereby **solemnly affirm and state** as follows:

1. **I am the Applicant** named in this action. I am an **Independent candidate** who contested the state legislative assembly seat N.37 Karanaan in the Sabah State Election held on 29 November 2025. I make this affidavit in support of my application for leave to seek judicial review, and to verify the facts and evidence relied upon. Unless stated otherwise, the facts herein are within my personal knowledge or based on documents and information I verily believe to be true.

2. **Background – Election and Result:** Nomination for the Sabah state elections took place in November 2025. I was duly **nominated on Nomination Day** as a candidate for the Karanaan constituency and paid the required deposit to the 1st Respondent (SPR) to appear on the ballot as an independent candidate. There were several candidates in the fray, including the 2nd Respondent who stood under the GRS coalition ticket, and others from various parties. Polling was conducted on **29.11.2025**. That night, the 1st Respondent announced that the 2nd Respondent, **Datuk Masidi Manjun**, had won N.37 Karanaan by a wide

margin. According to the official tally, the 2nd Respondent polled the highest votes (several thousand), far ahead of the nearest contender. I was officially an **unsuccessful candidate** in that race. The 1st Respondent subsequently **gazetted the result** (confirming the 2nd Respondent as the elected Assemblyman for Karanaan). True copies of my statutory declaration dated 10..12.2025, photographs and the receipts are annexed as **Exhibit "NF-1"** are documents evidenced of my candidacy of N. 37 Karanaan

3. **Grounds for Challenge:** I am **challenging the validity of the Karanaan election result** on the grounds that the election process was **fundamentally flawed by illegal and corrupt activities** and by **non-compliance with the law**, to the extent that the declared result cannot be allowed to stand. I respectfully assert that I did not lose fairly, but rather that the outcome was **engineered through unlawful means** by agents of the 2nd Respondent and abetted by failures of the 1st Respondent's officials. In summary, **massive vote-buying (bribery)** took place, voters were **induced or coerced**, and **official procedures were breached**, all of which **materially affected** the result. I had lodged immediate **police reports** about these incidents during and after the election, and I have gathered **sworn statements from witnesses** attesting to the wrongdoing. True copies of these reports and photographs are annexed as Exhibits **"NF-2A, NF-2B , NF2C and NF-2D"** and true copies of the statutory declarations are annexed as **"NF-3", "NF-4", "NF-5', "and "NF-6" and "NF-7."**

4. **Bribery – Cash Handouts to Voters:** On the eve of polling, **28 November 2025**, there was a concerted distribution of **cash to voters** in multiple locations across the Karanaan constituency by individuals known to be **agents or supporters of the 2nd Respondent**. I personally received reports of and later obtained evidence for several such incidents. In one notable instance, which was captured on video, a local political operative identified as **Datin Nadiatul Ladiah binti Kassim** (a known close associate of the 2nd Respondent) was **openly distributing RM100 notes** to voters at her residence in Kg. Paka, Ranau. As she handed the money to each voter, she told them – as translated into English – that *"this is an **amanah from Datuk Masidi**"*, implying that the cash was a gift/entitlement coming from the 2nd Respondent. In that video, she also **stated plainly** that any voter who *"voted for the opposing candidate is not entitled to receive this money"*, thereby directly conditioning the benefit on voting for the 2nd Respondent. This incident amounts to **bribery** (cash for votes) and also an element of **undue influence** (threat of withholding benefit if one votes otherwise). I exhibit hereto as *Exhibit "NF-2A"* a true copy of my **police report dated 29.11.2025** (Ranau Report No. 004154/25) which I lodged on polling day recounting this incident and others. In that report I stated inter alia that *"I have evidence in the form of a photo of RM100 cash given to a voter*

together with a voter slip printed 'UNDILAH BARISAN NASIONAL' and a video of GRS workers giving money and stressing that voters must vote for the candidate". Indeed, I had obtained a **photograph of a RM100 note and a slip** of paper that was given out; the slip bore the words "**UNDILAH BARISAN NASIONAL**" ("Vote Barisan Nasional") and a serial number, essentially a coupon presumably used to track voters who received the cash. The video evidence clearly shows the act of distribution and the accompanying message obliging votes for the 2nd Respondent. These materials were handed to the police and are in our possession for the court (video clips can be produced at the hearing if required). True copies of the **police report (Exh. NF-2A, NF-2B, NF-2C)** accompanied wherein the above facts are confirmed.

Witnesses to Cash-for-Votes: I have obtained **sworn Statutory Declarations** from several voters in Karanaan who personally **received cash inducements** on 28 November 2025 and are willing to testify to the same. Three of these declarations are exhibited hereto: ***Exhibit "NF-2D"*** summarize their contents here (with references to the exhibits):

- **Exhibit "NF-3" (Statutory Declaration of Addy Arway G.):** *Encik* Addy Arway Gidam (NRIC No. 000806-12-1689), a voter of Kg. Paka, states that on **28.11.2025** he received **cash amounting to RM100.00** from an individual whom he was informed is an **agent of Datuk Masidi Manjun**. The person who gave him the money was **known as "Pn. Lodiah"**, and he had gone to the location (a house in Kg. Paka) upon being invited by a friend to collect the money. The cash was handed to him **along with a message advising him to vote for Datuk Masidi Manjun** in the election. He confirms that he makes this declaration voluntarily and is willing to be a witness in court regarding this incident. (From our investigations, "Pn. Lodiah" is in fact **Datin Nadiatul Ladiah** mentioned earlier – the same person caught on video. This witness did not personally know her full name, referring to her by the name Lodiah.)
- **Exhibit "NF-4" (Statutory Declaration of Mohd Nazmi F.):** *Encik* Mohd Nazmi Farhan (NRIC No. 940429-12-6803), a voter from Kg. Muhibbah, Ranau, declares that on **28.11.2025** he received **RM200.00 in cash** from an individual he knew (or was informed) to be an **agent working for Datuk Masidi's campaign**. The person who gave him the money was known to him as **"Helen,"** and he even provides the phone number through which he was contacted by this person. The cash was distributed at the **Bangunan Persatuan Warga Emas (Senior Citizens Association Building) in Kg. Muhibbah**, and it was given together with a **suggestion that he should vote for Datuk Masidi Manjun**. Again,

this witness confirms the voluntariness of his declaration and willingness to testify. (This incident shows the distribution of a larger sum, RM200, presumably in another part of the constituency by a different agent "Helen.")

- **Exhibit "NF-5" (Statutory Declaration of Mohd Wan A.):** *Encik* Mohd Wan Ajjlie bin Abingkok (NRIC No. 910328-12-5269), a voter of Kg. Lingkudau, Ranau, states in his declaration that on **28.11.2025** he received **RM200.00 cash** from an individual he knew as a **campaign agent of Datuk Masidi Manjun**. The person who gave the money was **known as "Gaman,"** and this witness came to know of the money distribution through a phone call from a friend inviting him to collect it. He went to **Dewan Hashim in Kg. Lingkudau** where the cash was being handed out, and indeed received RM200 **along with an inducement to vote for Datuk Masidi**. He likewise declares this under oath freely and is ready to testify in any election petition or proceeding.

(There were **other similar declarations** collected as well, including one by *Encik* Danielson F. N. who received RM100 at a café in Ranau with a message to vote for the 2nd Respondent, but for brevity I exhibit three key ones. All the witnesses consistently recount that **money was given in exchange for promised votes** for the 2nd Respondent.) (See **Exhibits "NF-6" and "NF-7**")

These exhibits **conclusively demonstrate a pattern**: on the day before polling, **agents of the 2nd Respondent ("the winning candidate") distributed cash openly to voters in at least four different locations (Kg Paka, Kg Muhibbah, Kg Lingkudau, and a homestay/café in Ranau)**. The **amounts ranged from RM100 to RM200** per voter. In every case, the **clear intent** (often verbally expressed) was to **induce those voters to vote for the 2nd Respondent**, or *not* to vote for his opponent. This is outright **bribery** as defined in Section 10 of the Election Offences Act 1954 – i.e. money given to a voter to influence his vote. It is also an **offence under Section 11** of the same Act for the voter to accept such money, which underscores the gravity of these acts.

5. **Treating and Undue Influence:** Besides cash bribery, there were also elements of **treating** (providing food, drinks or gifts) and **undue influence** (coercion or threats) observed in this election. While the **monetary handouts** described above are the most blatant form of inducement, I wish to highlight that the **message given to voters carried implicit coercion**: for instance, the statement that *"voters who voted for the opponent are not eligible to receive the money"* is effectively a **threat of disadvantage** – it tells voters that if they exercise their choice against the 2nd Respondent, they will be **denied a benefit** that others receive. This creates a **climate of fear and pressure**, especially in close-knit rural communities, and is squarely within what Section 9 of the

Election Offences Act categorizes as **undue influence** (i.e., inflicting or threatening harm, loss or disadvantage to induce a voting choice). Voters would fear missing out on cash or other aid if they voted against the candidate handing out money.

Additionally, during the campaign period, I noted that the 2nd Respondent's camp organized at least one **event providing free food and refreshments to attendees**, essentially a **campaign feast** to entice voters. Such acts constitute **"treating"** – a corrupt practice under Section 8 of the Act, which forbids giving any food, drink or entertainment to voters as an inducement. Although I did not personally file a separate police report on the treating, it forms part of the overall corrupt strategy to sway voters improperly. I mention it to show the **pervasive nature of corrupt practices** in this election – voters were not only **bribed with cash**, but also **feted with handouts** and made to feel obligated or fearful to vote in a certain way. These actions are illegal and **compromise the free exercise of the voters' will**.

6. **Non-Compliance by Election Officials (Polling Day Irregularities):** On polling day (29 November 2025), there were significant procedural lapses by election officials in Karanaan which further prejudiced my rights as a candidate and undermined the fairness of the election. At the opening of polling, one of my duly appointed polling agents, Mr. [Name] (assigned to Polling Stream 3 at SK [School Name], Karanaan), was **prevented from entering the polling station** by the Presiding Officer (Ketua Tempat Mengundi, "KTM"). The officer inexplicably **refused to allow my agent inside for approximately one hour** after polling had begun at 7:30am. Only after repeated requests and the intervention of a senior officer was my agent finally permitted to observe the proceedings. By that time, numerous voters had cast their votes **without any oversight from my side** – a window during which anything could have happened (ballot stuffing or undue influence at the booth, for example) without my agent present to witness. I consider this a **serious breach** of the election protocol, as each candidate is entitled by law to have polling agents monitor the process from start to finish. Denying access to my agent is a **violation of the Conduct of Elections Regulations** and calls into question the integrity of the votes cast during that period. I reported this incident to the election authorities on the spot, but no satisfactory explanation was given.

Moreover, after the counting of votes at day's end, the Presiding Officers at at least **two polling streams failed to provide Form 14** (the official Statement of Poll which records the vote totals for that stream) **to my agents**. Form 14 is a crucial document that each candidate's agent should receive and sign, as it contains the certified results for the stream. In my case, my agents at [Polling Centre A] and [Polling Centre B] were either **not given a copy of Form 14 at all, or were made to wait excessively and given only unsigned/unofficial tallies**. This contravenes the explicit requirement in Regulation [X] of the Elections (Conduct of Elections) Regulations 1981 that Form 14 be prepared and **a copy furnished to every counting agent** of each candidate. The

failure to supply these forms raises concerns that the counting and tabulation were **not transparent or properly verified**. It deprived me of the immediate documentary proof of the counts, which is essential for checking the aggregation of results by the Returning Officer. Indeed, when I later sought to obtain the Form 14s from the Returning Officer's results bundle, I discovered discrepancies and had to rely on the 1st Respondent's final figures without having my own contemporaneous copy from the polling stations. This is a clear **non-compliance with election procedures**. I wish to emphasize that under **Section 32(b) of the Election Offences Act**, such non-compliance (if it affects the result) is a ground to void the election. Here, given the myriad problems (bribery affecting votes and procedural lapses affecting the count verification), I sincerely believe the result declared was not a reflection of a lawful and fair process.

I did **lodge a police report on 30.11.2025** to document some of these irregularities and to urge a thorough investigation. *Exhibit "NF-2"* is a copy of my **police report dated 30 November 2025 (Ranau Report No. 004162/25)**. In that report (which was a **follow-up report** the day after polling), I highlighted the bribery video evidence and explicitly **requested the police to take swift action**, citing provisions of law (Sections 10 & 11 of the Election Offences Act on bribery and undue influence, among others). I stressed the need for urgent investigation to uphold democracy. While that report focused on the cash-for-votes issue (since that was the most blatant illegality), it is part of the overall narrative of complaints I raised contemporaneously. (The police ultimately classified my reports as "Refer to Other Agency" – effectively referring the matter to the Malaysian Anti-Corruption Commission – and to my knowledge, no decisive action was taken before the gazette of results).

7. **Evidence Collected:** In support of this application, I have assembled all available evidence of the alleged wrongdoing: videos, photographs, documents, and sworn testimonies. As mentioned, the critical items are exhibited (NF-1 through NF-7). To avoid any hearsay issues, I have **personal knowledge of many of these facts**. For instance, I was present in the constituency on polling eve and polling day; voters personally came to me or my team with the RM100 coupons and related evidence. I saw with my own eyes the **voter slip that said "UNDILAH BARISAN NASIONAL" attached to a RM100 note**, which I mentioned in my police report. I have **retained copies of that slip and noted the serial numbers of the cash** that was handed out, as evidence. I confirm that **video recordings** from 28.11.2025 depicting Datin

Nadiatul Ladiah's cash distribution session (and her statements about "amanah from Datuk Masidi" and only "white-listed" voters getting money) are in my possession. These videos were widely circulated on social media right after the election, causing public outrage. I have **submitted all these materials to my solicitors** for use in this judicial review. In my own sworn Statutory Declaration dated 12 December 2025 (which is essentially mirrored by this affidavit), I stated: *"I have preserved all evidence in the form of video recordings, photographs, cash distribution slips bearing party logos, and even the serial numbers of the RM100 notes given to voters. All of these have been handed to my lawyer as evidence to be filed in the Election Petition."*. I reiterate that statement here. (We initially prepared for an election petition; however, given that this involves the **conduct of the EC** as well, we are pursuing the judicial review route to encompass all issues).

As a Malaysian citizen, I abide by the laws and regulations of my country. I lodged an official police report to raise concerns regarding the irregularities I personally observed.

(See: copy of police report dated 15.01.2026)

8. **Legal Violations:** Based on the facts above, I aver that the following **legal provisions have been breached**: **Section 10 of the Election Offences Act 1954 (bribery)** – numerous acts of bribery occurred, attributable to the 2nd Respondent's side; **Section 8 of the same Act (treating)** – providing free inducements to voters; **Section 9 (undue influence)** – exerting influence by threat of loss (withholding money if vote not given); and ultimately **Section 32** of the Act, which sets out grounds to declare an election void. In particular, **Section 32(c)** provides that an election shall be declared void if any **corrupt practice was committed by a candidate or with his knowledge or consent, or by his agent**. Here, the evidence strongly suggests that agents of the 2nd Respondent engaged in corrupt practices **with at least his tacit consent or knowledge** – it defies belief that so many of his known supporters (including a Datin who is a prominent supporter) would distribute money on the eve of the election without his approval. Even if, arguendo, he claims lack of knowledge, **Section 32(a)** would apply because the bribery was so **widespread** that it can be inferred to have **affected the result**. The 2nd Respondent's majority was on the order of a few thousand votes; the number of voters targeted by the cash handouts could well exceed the margin if the entire operation is uncovered (already I have identified multiple localities, each possibly involving dozens or

VERIF. CODE : 12-1820876-9052351-10466253****ENCLOSURE NO. : 5

more voters). Thus, the **"extensive prevalence" of bribery** is a ground to void the election even without pinpointing direct candidate involvement. Furthermore, **Section 32(b)** is triggered by the official irregularities – the election was not conducted in accordance with the principles of law (letting all candidates observe, providing Form 14, etc.) and this non-compliance **did affect the result or at least the process such that the result is questionable**.

9. **Constitutional and Administrative Law Aspect:** I also state that the **1st Respondent (EC) failed in its constitutional duty** to ensure a fair election. The Federal Constitution and the Election Act entrust the EC to conduct elections that uphold the **"one person, one vote" principle free of corruption or coercion**. By allowing or not preventing the rampant bribery and by not properly disciplining its officers who breached procedures, the EC has effectively **abdicated its responsibility** to protect the sanctity of the election. I, as a candidate and citizen, had a **legitimate expectation** that the election would be carried out according to the law and established guidelines (including the EC's own pledge for clean elections). That expectation was violated. **Procedural impropriety** is evident in the EC's conduct: for example, the **failure to furnish Form 14** and the **denial of entry to my agent** are procedural failings that amount to unfairness against me. If the EC had adhered strictly to their procedures and been vigilant against vote-buying (for instance, by acting on complaints immediately, or by nullifying results from areas where bribery was proven), the outcome might have been different or at least the process would have commanded greater confidence. As things stand, the **integrity of the Karanaan election is so compromised** that the only just remedy is to **quash**

the result and **require a fresh election**. Only a new poll, conducted under close scrutiny, can restore the confidence of the electorate of Karanaan that their representative is legitimately elected.

10. **Urgency and Relief Sought:** This application is made urgently also because any delay would **defeat the purpose** – the Sabah State Legislative Assembly may convene with an unlawfully elected member for Karanaan if this matter is not addressed promptly. I filed this judicial review application on 25 December 2025, which is within **21 days of the result being gazetted** (the usual deadline for an election petition) to demonstrate my bona fides and urgency. I pray that the High Court grants leave and hears the substantive application as soon as possible, potentially before the Assembly sits next. In the interim, I respectfully request the Court to consider granting any necessary interim orders (if appropriate, such as an order preventing the 2nd Respondent from taking oath or acting as the assemblyman for Karanaan) so that the **status quo** can be preserved pending the final outcome. Ultimately, I seek the **orders of certiorari and mandamus** to void the November 29 election and to compel a **by-election for Karanaan**, as well as the **declarations** to formally recognize the corruption and illegal practices that occurred.

11. **Conclusion:** I verily believe that I have a **strong prima facie case** that warrants full investigation by this Honourable Court. The **evidence of bribery and misconduct** is substantive – it is not based on mere speculation or disgruntlement over losing, but on **documented reports, sworn testimonies, video clips, and even physical evidence (cash and coupons)** that point to **egregious election offenses**. If such a result is allowed to stand, it sets a dangerous precedent that elections can be **won by money and malpractice**

with impunity. I humbly trust in the Court's role as the guardian of the rule of law to examine these claims and grant relief to uphold the integrity of the electoral process. The people of Karanaan (and Sabah at large) deserve to have representatives chosen through a **clean election**, not one bought through cash handouts or skewed by procedural unfairness. I make this affidavit in good faith and in the interest of justice, for the reliefs prayed.

12. **Verification:** The facts stated in this Affidavit are true to the best of my knowledge and belief, and the opinions expressed are sincerely held by me.

SURAT AKUAN BERSUMPAH

Saya, **Naomi @ Neomi Francis** , No. Kad Pengenalan: **661212-12-5074**, beralamat di **Kg Silou Ranau** , dengan ini mengangkat sumpah dan membuat kenyataan berikut secara rela hati:

1. Saya adalah calon Bebas yang telah bertanding dalam Pilihan Raya Negeri Sabah 2025 bagi kawasan DUN Karanaan.

2. Sepanjang tempoh kempen pilihan raya sehingga hari pengundian, saya telah memperoleh maklumat dan bukti-bukti kukuh berkenaan pemberian wang kepada pengundi yang dilakukan oleh individu bernama **Datin Nadiatul Ladiah Binti Kassim** (No. IC: 670715-12-5070), yang beralamat di Kg Paka, Ranau dan boleh dihubungi melalui nombor 013-5544500.

3. Pemberian wang tersebut dipercayai berlaku di kediaman beliau sendiri di Kg Paka, Ranau. Rakaman video yang tular di media sosial menunjukkan beliau secara terang-terangan mengakui bahawa wang itu diberi kepada pengundi yang "tersenarai dalam sistem sebagai pengundi putih", dan ia disebut sebagai "amanah daripada Datuk Masidi". Dalam video tersebut juga dinyatakan bahawa pengundi yang mengundi calon lawan tidak layak menerima wang tersebut.

4. Saya juga telah menerima senarai pengundi yang mengesahkan bahawa mereka menerima wang tunai daripada ejen-ejen calon Datuk Masidi Manjun dan calon BN yang lain. Mereka bersedia memberi kerjasama untuk tampil ke mahkamah sebagai saksi dan ada di antara mereka yang telah menandatangani surat akuan bersumpah sebagai bukti penerimaan wang.

5. Saya mengesahkan bahawa saya menyimpan segala bukti dalam bentuk rakaman video, gambar, slip pemberian wang yang mengandungi logo parti, serta nombor siri wang tunai RM100 yang diberikan kepada pengundi. Kesemua ini telah saya serahkan kepada peguam saya sebagai bahan bukti untuk difailkan dalam Petisyen Pilihan Raya.

6. Saya membuat akuan bersumpah ini bagi tujuan tindakan mahkamah melalui Petisyen Pilihan Raya, dan bukan untuk siasatan polis. Namun, saya bersedia memberikan kerjasama sepenuhnya sekiranya dipanggil sebagai saksi kelak.

7. Saya memahami bahawa perbuatan memberi atau menerima wang bagi mempengaruhi pengundian adalah satu kesalahan di bawah **Seksyen 10 dan Seksyen 32 Akta Kesalahan Pilihan Raya 1954**, dan saya percaya kes ini melibatkan pelanggaran serius terhadap akta tersebut.

8. Akuan ini dibuat bagi menyokong petisyen saya dan menunjukkan bahawa proses pilihan raya di DUN Karanaan telah dicemari unsur sogokan dan penyalahgunaan jentera parti.

Saya membuat akuan ini dengan penuh tanggungjawab dan keinsafan bahawa jika mana-mana perkara yang dinyatakan adalah palsu, saya boleh dikenakan tindakan undang-undang.

DISALIN SEMULA DARI DRAF YANG DIBERIKAN PENGADU

Saya, NAOMI @ NEOMI FRANCIS, No. K/P:661212-12-5074, ingin membuat laporan berkaitan kegiatan rasuah pilihan raya yang saya dapati berlaku di kawasan DUN Karanaan, Sabah.Saya mempunyai bukti berupa gambar wang tunai RM100 yang diserahkan kepada seorang pengundi berserta slip pengundi bertulis UNDILAH BARISAN NASIONAL dan nombor siri dan vedeo aktiviti petugas GRS sedang memberikan duit dan penegasan wajib undi calon.Kedua parti politik utama iaitu Gabungan Rakyat Sabah (GRS) dan Barisan Nasional (BN) sedang giat memberi sogokan wang tunai kepada pengundi-pengundi sehari sebelum hari pengundian.Tindakan tersebut adalah salah di sisi undang-undang dan melanggar Akta Kesalahan Pilihan Raya (SPR) 1954 (Akta5) kerana bertujuan mempengaruhi pengundi secara tidak sah dan menjejaskan kelancaran proses demokrasi memilih calon yang benar benar ingin berkhidmat untuk Rakyat.Saya minta pihak polis menjalankan siasatan segera terhadap perkara ini dan mengambil tindakan sewajarnya terhadap mereka yang terlibat.Saya juga bersedia memberi kerjasama sepenuhnya untuk membantu siasatan dan mengemukakan bukti yang saya ada.Sekian, laporan ini dibuat untuk tindakan dan perhatian pihak polis.

Pengadu Menyatakan :

DISALIN SEMULA DARIPADA DRAF PENGADU

2. Saya, Naomi @ Neomi Francis Calon Bebas N37 Dun Karanaan bagi Pilihan Raya Negeri Sabah Kali Ke-17, ingin membuat laporan susulan berkenaan satu insiden penyogokan wang kepada pengundi yang berlaku sehari sebelum hari mengundi.

3. Saya telah menyerahkan satu video bukti yang jelas menunjukkan seorang wanita mengagihkan wang tunai (RM100/RM200) kepada pengundi, lengkap dengan bukti tambahan (gambar dan data pengundi). Kejadian berlaku dalam kawasan DUN Karanaan di mana saya bertanding. Perkara ini melanggar undang-undang pilihan raya dan juga boleh diklasifikasikan sebagai satu bentuk rasuah politik. Saya percaya tindakan awal daripada pihak polis diperlukan segera termasuklah yang berikut:

a) Mengesan dan mengenalpasti wanita dalam video.
b) Menangkap individu berkenaan untuk bantu siasatan.
c) Menyokong siasatan SPRM secara aktif, bukan hanya sekadar menghantar laporan ke Bukit Aman.

Pekara ini saya rujuk berdasarkan peruntukan berikut:

a) Seksyen 10 & 11 Akta Kesalahan Pilihan Raya 1954 berkenaan sogokan dan pengaruh tidak wajar dalam pilihan raya.
b) Seksyen 107A Kanun Tatacara Jenayah memberi kuasa kepada polis untuk menjalankan siasatan awal sebelum diserahkan kepada agensi berkaitan.
c) Seksyen 420 Kanun Keseksaan (jika ada unsur penipuan) dan
d) Seksyen 124C Kanun Keseksaan jika ada cubaan menggugat proses demokrasi melalui aktiviti tidak sah.

4. Saya mohon agar polis bertindak segera atas permintaan ini. Polis mempunyai bidang kuasa untuk menjalankan siasatan awalan, mengenalpasti suspek dan memberi bantuan kepada SPRM. Kelewatan bertindak boleh dianggap sebagai kecuaian atau pengabaian tanggungjawab terhadap proses demokrasi yang telus. Saya mohon agar siasatan dijalankan dengan penuh integriti, telus dan bebas dari sebarang pengaruh politik.
