

Neptune's Harvest Fertilizer

ORGANIC PLANT FOOD ALL-PURPOSE

Liquid Seaweed 0-0-1

Neptune's Harvest Seaweed Plant Food is an organic storehouse of over 60 naturally occurring major and minor nutrients and amino acids. It contains growth promoting substances which boost plant development, color and vigor.

Seaweed increases hardiness and resistance to adverse environmental conditions, such as drought and early frost, and can be used as a seed inoculant to increase and accelerate germination. Our Liquid Seaweed makes an excellent addition to any fertilization program!
