VERSE

Join our hands and circle round,
Footsteps touching common ground.
In the center God be found.
Feel the light within us.

Circle round common ground.
Circle round common ground.
God is found, God is found.
Feel the light within us.

VERSE

Pouring out and pulling in,
Giving birth to God within.
Feel the energy begin.
God is moving in us.

Pouring out, pulling in,
Pouring out, pulling in.
Energy now begin.
God is moving in us.

VERSE

Circle stilling, feel the flow.
From our center it will grow.
Spirit rising like new dough.
Let the birth begin us.

From below she will grow,
From below she will grow.
Spirit rise like new dough.
Let the birth begin us.
