Family of God

by Nancy Pitkin

VERSE

We are all different faces from all different places
but in one way we are the same.
We are all one with Spirit united in love,
and that's why we're here today,
To be with each other and celebrate who we really are.

CHORUS

We are the family of God, sharing this comforting thought.
Peace lives inside us, nothing divides us when
We see that we are the Family of God.

VERSE

There's pain in this world, 'cause some just aren't sure
that they have a place they belong.
But we all are the lyrics and the words that heal
we're the music, we are the song.
We are everything beautiful that's who we really are.

CHORUS

TAG

We are the Family of God. (2x)
