# **FREEDOM CHILD**

by Scott Kalechstein

## Intro

Freedom child your music can be trusted  
Freedom child there's a symphony at play  
Freedom child, the adult just got busted  
And a child shall lead the way

## Verses

When you've been hiding behind the rules  
I will throw you in the pool  
Inviting you to be a fool  
Cause life's a playground, not a school

Hello, I'm your long lost part  
The freedom child in your heart of hearts  
Childlike, but not childish  
Playful, but not powerless  
Responsible to freedom's call  
Driving all the slave drivers up the wall!

When you're possessed by your perfectionist  
I will be your exorcist  
I can drive the demons out  
Save your smile from your pout

I'd break all of your eggshells one by one  
Expand your straight and narrow with a little  
                  thing called fun  
Just a little thing called fun

## Instrumental

### Bridge

The freedom child can cut you loose  
When your head is hanging in a noose  
Cause life is too precious and life is too short  
To be a full-time worrywart!

### Verse

When you are dried up from all the rules  
I will throw you in the pool  
Inviting you to be a fool  
Cause life's a playground not a school  
I'd break all of your eggshells one by one  
Expand your straight and narrow with a little  
                  thing called fun

### Coda

Childlike, but not childish  
Playful but not powerless,  
Flying free and limitless, freedom child.
