## CHORUS

Hold me in your arms, Mother Earth.  
Let me see the wonders you share.  
I will hold you in my heart, Mother Earth.  
Bless the land, the water, the air.

## VERSE

For the air, forest, green and tall,  
Ever breathing, sheltering.  
Home to creatures, great and small,  
I give thanks, rejoice and sing.

## CHORUS

## VERSE

For the waters, sparkling blue,  
Rivers flowing without end.  
Precious drops, clean and pure,  
I will cherish and defend.

## CHORUS

## VERSE

For the ocean's mighty pow'r,  
Womb of life for us all.  
Ebb and flow, hour by hour.  
I will listen to your call.
