I KNOW

By Karen Drucker

“No one can give you better advice than yourself.” Cicero

“Trust yourself. You know more than you think you do.” Benjamin Spock

“Power comes to those who know—and know that they know.” Arlene Moris

Oh how often I hear myself saying, “I wish I knew but I just don’t know!” This fun little song was written to myself to remember that I DO know! If I just stop, breathe, quiet my chattering mind and listen, I can usually hear the truth of the situation. I just need to be reminded every once in awhile that I can stop doubting myself and trust that I do actually know!

VERSE

I don't know how I know,
But I know that I know.
I need to remember that I know.
Yes I know. I know.

VERSE

I need to trust that I know,
'Cause it's so obvious that I know.
I need to tell my head that I know,
'Cause my heart knows that I know.

CHORUS

When I don't trust that I know then I forget how much I know.
If I breathe and surrender I remember that I know.

VERSE

Why do I doubt that I know?
Who else but me would know?
When I forget, you can remind me that I know. I always know.

CHORUS

VERSE

I'm gonna trust that I know,
Everyday tell myself that I know.
If I forget please remind me that I know. I always know.
I know. I always know. I know. I always know.
