# ***IF MY LIFE***

By Jeanne Loehnis

If my life shows you the pathway,  
If my life lights your way home...  
If my life helps with your journey...  
I'll have served Spirit this day.

If my life leads you from darkness...  
If my life points to the light...  
If my life lifts some confusion...  
I'll have shared blessings of sight.

If my life feeds your deep hunger...  
If my life is balm for your wounds...  
If my life comforts and soothes you...  
Then you'll know Spirit through me.

If my life gifts you with friendship...  
If my life shares in your joy...  
If my life mirrors true loving...  
Then you'll see Spirit as me.
