The musical score is written for a vocal line and a piano accompaniment. The key signature has two sharps (F# and C#), and the time signature is 4/4. The score is divided into three systems, each with three staves. The first system (measures 35-37) features a vocal melody starting on a G4, moving stepwise up and then down, with lyrics 'spi - ri - tu - al fi - re - works are not e-nough. You've got to find out what your life is a - bout'. The piano accompaniment consists of chords and moving lines in both hands. The second system (measures 38-40) continues the vocal melody with lyrics 'from the in - side out." Well there's' and 'from the in - side out."'. The piano accompaniment provides harmonic support. The third system (measures 41-43) features a vocal melody with lyrics 'preach - ers and there's teach - ers try_in' to show you the ropes, Pol - i -'. The piano accompaniment includes a prominent 'Oo' vocalization in the right hand and continues the harmonic texture. Chord symbols (G, G#07, D/A, A7, D, D7) are placed above the vocal staff to indicate the harmonic structure.

THE INSIDE OUT

by Scott Kalechstein

Verse

Sometimes it seems your own intuition is the last you consult.
You try a few soulmates, a psychic line and maybe a cult.
Then finally in the moment of cosmic despair,
You knock on the door and find there's someone there.
And then you find what life is about from the inside out.

Verse

Well I've been practicing my follow the leader since back in my
youth.
I went from Mommy to Swami and everywhere to get at the
truth.
I met a real live guru. I said "Show me your stuff"
She said "My spiritual fireworks are not enough.
You've got to find out what your life is about from the inside
out."

Chorus

Well there's preachers and there's teachers trying to
show you the ropes,
Politicians on a mission to acquire your votes.
Everybody's saying "My way is the highway for you."
But what feels right to one may not be gospel for two.
You need your own gospel.

Verse

Sometimes it seems your intuitive channel isn't coming clear.
But did you notice that the volume is controlled by your desire
to hear?
To get maximum reception from your inner TV
You must be open to accept your own authority,
And then you find what life is about from the inside out.

Chorus

Verse

Sometimes it seems your intuitive channel isn't coming in clear.
But did you notice that the volume is controlled by your desire
to hear?
To get maximum reception from your inner TV
You must be open to accept your own Divinity,
And then you find what life is about from the inside out.
And then you find out what your life is about from the inside
out.
It's time to find out what your life is about from the inside out.
