VERSE 1

You got a light! You got a light!
And it's shining out for everyone to see.
You got a light! You got a light!
And it's shining out for everyone to see.
By some kind of miracle, now I feel that light in me!

VERSE 2

You got a love! You got a love!
And it's shining out for everyone to see.
You got a love! You got a love!
And it's shining out for everyone to see.
By some kind of miracle, now I feel that love in me!

BRIDGE

You got a joy running through you now, that just can't be denied.
You got a spirit like a firecracker lightin' up the sky!

VERSE 3

You got a power! You got a power!
And it's shining out for everyone to see.
You got a power! You got a power!
And it's shining out for everyone to see.
By some kind of miracle, now I feel that power in me!
