

the POWERHOUSE CHALLENGER

ADJUSTABLE BASKETBALL SYSTEM

- Backboards available in acrylic or glass
- Breakaway goal included
- Optional bolt-on TuffGuard™ backboard padding available in several colors
- Optional all-weather velcro wrap-around post padding for added safety (See padding section for available colors)
- EZ Crank™ adjustment allows infinite height adjustment from 10' to 7'
- Baseplate to backboard extension is 30" with rim at 10' (Extension distance increases as rim height is lowered)

First Team proudly announces our latest addition to the PowerHouse line of hoops...Challenger! The PowerHouse Challenger pole system boasts all the features you need for great performance at a price everyone can enjoy!

The PowerHouse Challenger series is designed with performance and economy in mind. The unit is built with a 5"x5" vertical post that incorporates our bolt-down anchor base for ease of assembly and relocation. The rim height is infinitely adjustable by simply turning the EZ Crank handle. The rim height indicator registers the 10' rim height. Our Y-shaped extension arms provide a solid 30" offset from post to backboard. Choose from tempered glass or acrylic backboards available in 54" and 60" widths.

For additional safety, pole padding and backboard padding can be added to any Challenger package. PowerHouse Challenger packages are covered by First Team's Limited Lifetime Warranty.

When you're looking for great performing basketball system for your home court, look no further than Challenger!

First Team is proud to introduce the POWERHOUSE 5 basketball system! The PowerHouse 5 offers all of the great features you need at a price that will put you in the game!

The PowerHouse series of basketball systems was designed with performance, aesthetic appeal and economy in mind. The unit is built with a one-piece 5"x5" vertical post that incorporates our bolt-down anchor base for ease of assembly and relocation. The rim height is infinitely adjustable by simply turning the EZ Crank handle. The rim height indicator shows the height of the rim. Our Y-shaped extension arms and steel perimeter framed tempered glass backboard combine with First Team's exclusive CLEARSPAN™ backboard mounting making PowerHouse the most powerful and aesthetic units available in their price range!

For additional safety, pole padding and backboard padding can be added to any PowerHouse package.

When you're looking for a crank adjustable basketball system that looks as great as it performs, the CLEAR choice is POWERHOUSE!

PowerHouse 5 systems carry a Limited Lifetime Warranty.
