

## GARED PRO

### PRODUCT ID: GARED PRO

Simply the best portable backstop available today! When you want the best unit for a new facility or need to upgrade your current equipment, look no further than the GARED PRO.

- The GARED PRO is used in NBA arenas and numerous Universities and public facilities worldwide.
- The decreasing trapezoidal extension arm provides the best backboard stability in basketball. While other boards are still bouncing after a shot, the GARED PRO is standing still and ready for another shot.
- Designed to handle the weight of the Gared Sports Outer Limit Pro backboard and Snap Back goal, the official board and goal for all NBA arenas
- The two stage hydraulic control makes raising and lowering the unit as easy as turning a switch.
- Fully padded base to 7', and single extension arm, offers a very compact, clean appearance.
- Extension arm available up to 10' 8" of clearance. Extension supports board without extra braces.
- Base measures 74" long x 50" wide. Folds down to; 72" wide x 83" high x 166" long, including board and goal.
- Contact Gared Sports for complete drawings and specifications.
