## GARED® PRO SERIES

Play like the pros in your own backyard with the **NEW GARED® PRO SERIES ADJUSTABLE BASKETBALL SYSTEMS!** • Height adjustment actuator mechanism allows board to easily adjust from 7 ½' to regulation 10' • Large actuator with 90° handle makes it easy for all ages to raise and lower the system • Square heavy-gauge steel post with 3/16" wall thickness provides superior strength and durability • Bolt-to-ground post design allows for no-hassle installation and portability of unit • Post is powder-coated black for protection against harsh weather elements • Heavy tubular lower arm provides a direct-goal attachment for backboard and rim • Backboard braces extend to the outer corners of the backboard, allowing for a clear, unobstructed view during play • Backboard is comprised of glass with direct mount attachment to a heavy steel welded uniframe for extra support and safer play • Board features a white target and border and square corners for a professional, arena-style look • Heavy-duty breakaway goal with nylon net stands up to any level of competitive play • Premium board and pole padding are optional.
