

# the FORCE

## ADJUSTABLE BASKETBALL SYSTEM

- Extensive backboard selection
- All First Team goals are "direct mounted" to eliminate backboard breakage when players hang on the rim.
- Optional bolt-on TuffGuard™ backboard padding available in several colors
- Large welded base support gussets for maximum post rigidity
- Unique anchor system allows perfect pole leveling and easy pole removal if you move.
- Optional all-weather velcro wrap-around post padding for added safety (See padding section for available colors)
- Our trademarked Spring Assist™ aids crank, making goal adjustments effortless. The rim height indicator shows exact height of basket.
- EZ Crank™ adjustment allows infinite height adjustment from 10' to 6'6"

• Post to backboard extension distance is 48" with rim at 10' (Extension distance increases as rim height is lowered)

• Stainless steel EZ Crank™ Ensures lifelong performance!

See Accessories Section for Backboard & Pole Padding Options.

The Force offers infinite adjustability, exceptional rigidity and maximum durability for those serious about basketball!

The Force's tough 5" square, 3/16" thick vertical post and dual-strut extension arm make this system a real powerhouse. The bolt down anchor system allows you to take the goal with you when you move.

Our EZ-Crank™ adjustment means players of any age, size or ability can change the rim height. To adjust, simply turn the crank handle. The Force is infinitely adjustable from 10' down to 6'6". The rim height indicator shows the height of the rim.

The unit features our "Spring-Assist" which reduces the effort required to crank the goal. This is particularly beneficial for families with young children adjusting the unit.

First Team offers a large selection of backboards and rims with the Force. Choose a Force package with one of our Response™ tempered glass backboards if you are wanting authentic gymnasium style ball reaction off the board.

For additional safety, pole padding and backboard padding are available for most Force packages.

Every Force package comes with a Lifetime Superior Warranty.

## FORCE PACKAGE OPTIONS

- FT1500 Force Pole System
