HYDROSPORT

FIXED HEIGHT BASKETBALL SYSTEM

- Selection of various clear acrylic backboards in sizes ranging from 36"x48" to 36"x60"

- Welded top cap seals out moisture

- All components are powder coated black.

- 4"x4" post gives incredible stability to unit

- Stainless Steel post & anchor bolts

- Extension arms constructed of carbon steel, powdercoated black

- Special zinc undercoating protects against rust

- Optional bolt-on TuffGuard™ backboard padding available in several colors

- All First Team goals are "direct mounted" to eliminate backboard breakage when players hang on the rim.

- Protective cover hides anchor bolts

- Post to backboard extension distance is 24"

The HydroSport offers a professional look for you poolside at an affordable price!

The HydroSport's black powdercoated 4"x4" stainless steel post is designed with a bolt down anchor system similar to our upper end driveway basketball systems. The unit is secured to the pool deck using four stainless steel anchor bolts provided with unit. An ABS plastic anchor cover is also included. The HydroSport's carbon steel extension arm is also powdercoated black and attaches to the post via U-bolts.

Though the HydroSport is considered a "Fixed Height" goal, the U-bolts can be loosened allowing the arm to be re-attached at any given height along the post.

A variety of backboards are available on the HydroSport. Pick the package that is right for your pool. For additional safety backboard padding is available for all HydroSport packages.

Each HydroSport basketball system is covered by First Team's Lifetime Limited Warranty.
