SPORT

FIXED HEIGHT BASKETBALL SYSTEM

- Selection of various clear acrylic backboards. Sizes range from 36"x48" to 36"x60"

- Super strength flex goals are "direct mounted" to eliminate any chance of backboard breakage

- Optional bolt-on TuffGuard™ backboard padding available in several colors

- Our one piece 4"x4" 11 ga. (1/8" wall) post is the heaviest of its kind in the industry

- Optional all-weather velcro wrap-around post padding for added safety (See padding section for available colors)

- Post is buried 36" below playing surface. (FT16 ground sleeve option can be purchased to make post removable.)

• Post to backboard extension distance is 24"

The Sport offers a professional look at an affordable price!

The Sport's 4"x4" 11 ga. steel post is 50% heavier than any goal of its kind. Our one piece post design eliminates the potential for joint deterioration common with sectional type posts.

The extension arm on the Sport is attached to the vertical post using two heavy duty U-bolts. Though the Sport is considered a "Fixed Height" goal, the U-bolts can be loosened allowing the arm to be re-attached at any given height along the post.

A variety of backboards and rims are offered with the Sport so you can choose the Sport package that's right for you.

For additional safety, pole padding and backboard padding can be added to any Sport package.

Every Sport package comes with a Lifetime Limited Warranty.
