

# SHARE HER CUTE SHOES, NOT HER PRESCRIPTION PILLS.

**POISON**  
**Help**  
1-800-222-1222

MISUSE OF PRESCRIPTION DRUGS  
IS A GROWING CAUSE OF  
DEATH AMONG TEENS TODAY.  
IT HAPPENS WHEN FRIENDS  
SHARE PILLS, WHEN  
TEENAGERS TAKE MEDICINE  
INTENDED FOR OTHER FAMILY  
MEMBERS AND WHEN  
MEDICATION IS USED  
IMPROPERLY. THE  
CONFIDENTIAL CAROLINAS  
POISON CENTER HELP LINE IS  
OPEN 24/7 IF YOU NEED HELP  
OR WANT TO KNOW MORE.

**SHARING PILLS CAN KILL.**
