Antique Brass	4
Venetian Bronze	5

## New Door Identification

In an effort to enhance our customer, 2B Global is proud to introduce the latest line of number plates, anodized specifically to suit all 2B Global door finishes. Each number plate is made of aluminum and will be “custom” engraved to provide the same appeal of an engraved door. These number plates are ideal to meet urgent deliveries, and most orders can be shipped out within 3-5 working days from our California warehouse as long as the mailbox models are in stock.
