Special Security Features:

- Heavy gauge aluminum cabinet wrapper for added protection
- Durable robotically welded cabinet and hood seams
- Stainless steel parcel door hinge for added strength
- Thick, reinforced gate with 1/4" diameter hinge rod
- Reinforced shelf above & below master access door to deter break-ins
- Front-loading gate includes interlocking overlap seams to prevent prying
- Solid aluminum mail slot frame provides additional protection for adjacent customer and collection compartments

- Heavy duty stainless steel pedestal to reduce tipping
- Compartment lock security collar to prevent prying

ID Options:

Decals: All HSCBUs come standard with silver adhesive decals which are 1-1/2" H x 1-3/4" W. Black lettering can contain up to six characters per decal.

Engraving: Custom engraving utilizes the USPS Standard *US Block* font, with up to 12 characters per line. (Five additional font options are also available.) This 3/4" high engraving may be created with or without two different color fill options.

Color Options: All high security cluster box unit types are available in six different architectural powder coat finishes

*Note: Postal Grey is USPS Approved for replacement only and is not intended for new installations.
