

# 5828

## WIRELESS FIXED ENGLISH KEYPAD

A perfect add-on to any LYNX or VISTA system, the 5828 wireless keypad saves dealers valuable time by offering the quickest, easiest installation of a secondary keypad. The 5828 is easy and inexpensive to install,

with no wires to run. It mounts anywhere—on walls, tabletops and counters—and provides the flexibility and convenience of operating the system from anywhere in the home.

### FEATURES

- No wires to run—lower installation time and labor costs
- Compatible with all LYNX and VISTA systems
- Includes three AA batteries or optional AC power pack for “always on” operation
- Large, easy to use keypad with single button operation
- Optional desk mount
- Attractive white console blends perfectly with any décor
- Contoured, removable door conceals soft-touch illuminated keys
