

Premier Talking Keypad

Honeywell

Talk about convenience!

Our Premier Talking Keypad actually speaks to you—providing security system status in plain, spoken English. The other benefits speak for themselves as well.

The keypad also features:

- A convenient Family Message Center that lets everyone record and playback voice memos for one another
- A large, bright 32-character display
- Comfortable, soft-touch keys labeled with simple commands and illuminated for easy nighttime visibility
- Four one-touch function keys that can be used to contact the police, fire department and other emergency response personnel
- A contoured removable door that lets you choose the look you want, with the four function keys remaining accessible
- A sleek, attractive white console that blends with any décor

These convenient, sophisticated features make security system operation easier than ever—and make the Premier Keypad a product worth talking about!
