# GUARDIAN ALERT 911™

Model #30911

Enhanced with DECT 6.0

Talk Directly Through Your Pendant to a 911 Operator at the Push of a Button!

NO  
Monthly  
Fees!!

The Guardian Alert uses your regular phone service (no extra fees) to call 911. The pendant works just like a cordless speaker phone!

## How it works:

Press the blue button on the pendant. The Guardian Alert immediately calls 911, and within seconds you speak directly through the pendant to the 911 operator.

To charge the pendant, simply place it in the charging cradle. A fully charged pendant will last 6 months on standby and provide up to 30 minutes of talk time.

The Guardian Alert uses your regular phone service (no extra fees) to call 911.

Compatible with VoIP internet services. (Make sure your VoIP has 911 calling enabled.)

## Optional Accessories:

**#30912 Battery Backup**  
Provides up to 24 hours of standby power to the Guardian Alert 911 base station during a power outage.

### #30913 Lockbox

Store a spare key so emergency services can enter if you cannot get to the door.
