- Onboard Recording with Smart View
- Dual-Band Wi-Fi (2.4 & 5GHz)
- IP66-rated waterproof & dust-tight

Included Accessories

- 12V - 1A DC adapter
- Mounting hardware
- Mounting template

Overview

Introducing the ADC-V716 Outdoor Wi-Fi Camera — an affordable video solution that delivers live video, two-way audio, a built-in siren, plus smart detection for people, vehicles, and animals. The camera features 1080p HDR video, a 110° field of view, and spotlight-enabled color night vision. Dual-band Wi-Fi connectivity increases reliability, while onboard microSD recording provides continuous local storage. Plus, support for Bluetooth® enrollment makes installation and troubleshooting easy. The V716 expands your video portfolio so you can reach new customers.

Specifications
