Installation instructions

1. Install the AM-523 Adapter Plate to the desired 4" junction box using the included screws as shown in the diagram below.

2. Secure the camera mounting plate to the adapter.

Important: The camera's mounting plate is fully separated from the camera in this diagram solely for illustrative purposes. It is neither recommended nor required to separate the mounting plate from its camera for installations.

3. Refer to the camera's Installation Guide for the rest of the installation instructions.
 - For more information, see [Prism Series Cameras - Installation Guide](#).
