Uplink GPS HW

Vehicle Tracking Solutions Made Simple, Reliable, & Affordable.

Uplink GPS is a turnkey vehicle tracking service for commercial and residential customers. Uplink GPS features a fully-hosted, cloud-based vehicle tracking service, and a dealer-branded portal with no set up fees.

Uplink Advantages

Tracking & Visibility: monitor times (travel, onsite, start and end, idle), ignition events, and more

Asset Recovery: view vehicle locations recorded every two or five minutes, including 60 days of stored history

Peace of Mind: track teens, elderly drivers, or a commercial fleet

Live technical and activation support*

Safety and security, at home and on the road, from the experts at Uplink

Uplink GPS HW Device Feature:

- Straightforward service plan options with flat rate billing
- Email alerts in the event of speeding, unauthorized use, theft, or vehicle alert zone violation
- Easy three wire installation
- Internal 200 mAh backup battery
