SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/us/sds.

QUALITY ASSURANCE

Deb products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in Deb's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature.

COMPATIBILITY TESTS

Rubber Production Process Compatibility: In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with DIN EN ISO/IEC 17025, the use of Estesol® Hair & Body in rubber production process does not influence the cohesive strength of rubber.

PRODUCT SAFETY ASSURANCE

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility.

Toxicological Approval: The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements. Suitable for use on children under 3 years of age.

CERTIFICATIONS

ECOLOGO™ certification: Estesol® Hair & Body was certified according to the UL ECOLOGO™ Standard UL 2845.

ECOLOGO™ certified products, services and packaging are certified for reduced environmental impact. ECOLOGO™ certifications are voluntary, multi-attribute, lifecycle based environmental certifications that indicate a product has undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

USDA BioPreferred: Estesol® Hair & Body was certified by the United States Department of Agriculture to have 77% biobased content and to comply with the USDA defined thresholds for biobased Personal Care products.
